

DUG Founding Members

Robert Sandusky, Interim Chair - University of Illinois at Chicago
Richard Huffine, Interim Vice-Chair - United States Geological Survey Library
Stephen Abrams - University of California Curation Center / California Digital Library
Suzanne Allard - University of Tennessee
Steve Aulenbach - National Ecological Observatory Network
James Beach - University of Kansas
Karl Benedict - Earth Data Analysis Center / University of New Mexico
Sky Bristol - United States Geological Survey Informatics
Bob Cook - Oak Ridge National Laboratory Distributed Active Archive Center
Trisha Cruse - University of California Curation Center / California Digital Library
Tim DiLauro - Johns Hopkins University / Data Conservancy / Digital Research and Curation Center
Debora Pignatari Drucker - Brazilian Agricultural Research Corporation (EMBRAPA)
Mike Frame - United States Geological Survey Center for Biological Informatics
Greg Gollberg - University of Idaho
Vivian B Hutchison - United States Geological Survey
Christopher Jones - University of Hawaii at Manoa
Matt Jones - The Knowledge Network for Biocomplexity, University of California, Santa Barbara
Steve Kelling - Cornell Lab of Ornithology
John Kunze - University of California Curation Center / California Digital Library
Wouter Los - LifeWatch
Maribeth Manoff - University of Tennessee Knoxville Libraries
David Minor - San Diego Super Computing / University of California, San Diego
Flávia Fonseca Pezzini - International Long Term Ecological Research - Brazil / Programa de Pesquisa em Biodiversidade - PPBio
Luke Sheneman - University of Idaho
Carly Strasser - National Center for Ecological Analysis and Synthesis / University of California, Santa Barbara
Carol Tenopir - University of Tennessee
Todd Vision - University of North Carolina Chapel Hill
Bob Waide - Long Term Ecological Research Network
Bill Michener, ex-officio - DataONE / University of New Mexico
Rebecca Koskela, ex-officio - DataONE / University of New Mexico
Amber Budden, ex-officio - DataONE / University of New Mexico
Dave Vieglais, ex-officio - DataONE / University of Kansas
